Grace and Peace!

The session met last night and, in recognition of the very low to non-existent virus numbers in the county, decided to return to a coffee time before worship on Sunday mornings. I realize nobody yet has a schedule for supplying food for such an event, but you are welcome to come (at 9:30, or whenever is convenient) and have some coffee. Dawn Harr says she will put the pot on this week.

It is a big week for worship as well. The choir will sing, the Sunday school will sing, and we will have a baptism. I hope to see you on Sunday. If you can't be there, then I hope you can join us at [millerpresby.com](http://millerpresby.com).

Blessings,

Brian Jones
